

# THE DEFINITIVE VOLUME ON THE WORKS OF EMANUEL SWEDENBORG

CELEBRATING TWENTY YEARS WRITING ABOUT THE MAN

Featuring intimate reflections by Candace Frazee on Swedenborg's life and work with over 299 selected letters and numerous photos

**"Inner beauty...philosophical quality of the author...spiritual worth of the book...I can put my last coin on the table that readers of a certain degree of spiritual enlightenment will definitely find this work worthwhile."**

Mawutodzi K. Abissath, Journalist, Accra, Ghana

**"...offers a better explanation of who and what Swedenborg was than any that I've read. And I was truly bowled over by the author's personality, most of all."**

Adebowale Oriku, Nigerian freelance writer, London, England

**"So spiritually inspiring—like food for the thought and soul. I'm learning so much from it, especially about Candace and why she's so loved by her readers—me first!"**

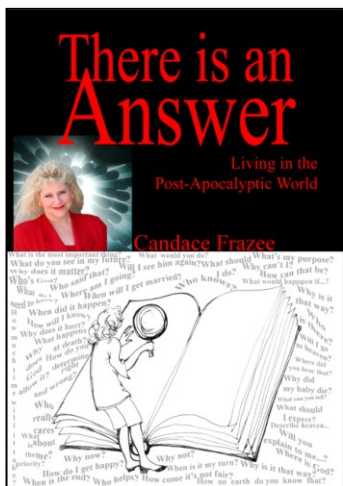

Earl Mosley, Los Angeles, California

**"What makes this book infectious is that Frazee clearly loves her subject. But it is not a kind of creepy, cult-like belief, as could be the case in a book about an esoteric philosophy. Nor is it at all judgmental about people who don't believe in Swedenborg's teachings. More, Frazee just displays her affection for his life and work and wants to share the joy she's derived from his writing."**

Henry Baum, Self-Publishing Review

**"Candace Frazee receives religious questions from people all over the world and she handles them with respect and appreciation, and answers them with honesty, accuracy, and sensitivity. When she doesn't know the answers, she researches them until she gets it right. Even if you have been a Swedenborgian all your life, you can't help but discover all sorts of fascinating information. If you are a seeker, you will find answers to all your questions. I heartily recommend *There is an Answer.*"**

Audrey Smith, Swedenborg Library, Bryn Athyn, Pennsylvania

**There is an Answer: Living in the Post-Apocalyptic World by Candace Frazee**  
\$30.00, 395 pages, 6" x 9"
